SECTION A

Types of Primary Schools in Sefton

Age Range

This section of the guide lists all infant and primary schools within Sefton. Junior schools are also listed for information, however entry to Junior schools at Year 3 is usually automatic from the attached Infant School. The type of primary school is shown in the list of schools and noted in the details provided for each individual school.

Community Primary Schools (COM)

Many Primary schools in Sefton are community primary schools. This means that the school is managed by the Local Authority. Religious education is non-denominational in character and does not follow the distinctive beliefs and practices of any one particular church or religion. Admission of pupils is the responsibility of the Local Authority in accordance with the admission arrangements listed in this guide.

Voluntary Aided Primary Schools (VA)

Other Primary Schools in Sefton are Voluntary Aided Schools. This means that they are managed by a church authority, although the Local Authority meets most of the running costs of the school. Religious education is under the general control of the governors and will be in line with the distinctive ethos, religious beliefs, culture and practices of the church with which the school is associated. Admission of pupils is the responsibility of the Governing Body in accordance with the admission arrangements listed in this guide. To check that you reside within the associated parish for a particular school you should contact the school directly.

Voluntary Controlled Primary Schools (VC)

There are a few Voluntary Controlled schools in Sefton, which are similar in most respects to Community Primary Schools. Religious teaching in such schools is mainly in accordance with the agreed syllabus, but this may, for those who wish, be supplemented by specific church teaching. Worship at school assemblies is linked with the worship of the church. The appropriate Parish is represented on the Governing Body. Admission of pupils is the responsibility of the Local Authority in accordance with the admission arrangements listed in this guide.

Academy Schools (AC)

Some Primary Schools within Sefton are Academies. Academies are independently managed, all ability schools set up by sponsors from business, faith or voluntary groups in partnership with the Department for Education. Together they fund the land and buildings, with the government covering the running costs. An Academy is responsible for admissions to the school and therefore determines their own admissions criteria. The Local Authority is the co-ordinating body for admissions to academy schools. For some academies, the Local Authority also manages the admissions process and applies the admissions criteria on behalf of the schools governing body.

Independent Schools

Sefton Local Authority does not administer admissions to any independent schools. If you wish for your child to attend an independent school, you must apply directly to the school concerned.

Information included for each primary school

We have listed every school in Sefton and included information to help you with your choice of schools. This page helps explain what the information we have provided means.

Key information about the school

Headteacher's name; address of school; telephone number; website address; school detail; age range; responsible admissions authority and the 2023 admission number for the school.

Previous pattern of Admissions

- Table 1 - The number of places available and the number of applications received by the Local Authority naming the school for the previous year's admissions allocation (where the school was named as either first, second or third preference).
- Table 2 - How many applications were allocated under each admission criterion in the past three years. **These figures should only be used as a guide as the number of places allocated in each category can change from year to year.**
- Table 3 - The number of appeals heard, and the number that were successful. The final number of places allocated at the end of term in July after changes of preference, declined offers and appeal hearings.

Furthest distance for Community, Voluntary Controlled and Academy schools

The furthest distance is noted where the school was oversubscribed (received more applications than places available) and is the furthest distance where a child who was allocated a place lived, using (usually) the home to school distance (proximity) criterion. For some schools, all places may have been allocated using a higher admission criterion than distance. This information is available for community, and academy schools where the Local Authority is the Admissions Authority or where the Local Authority applies the criteria on behalf of academy schools. This information is not available for Voluntary Aided (or academy) faith schools.

Individual admissions criteria for the school

If there are more applications than places available, this is the criteria used to assess each application for that school. You should be able to identify which category your applications would be considered under. Once you have done that, you can then see how many children have previously been admitted under the same criterion.

Where Primary Schools admit children below compulsory school age, parents should be aware of the following:

- Parents of children who are admitted for nursery education will still need to apply for a place at the Primary school if they want their child to transfer to the reception class
- **Attendance at the nursery or co-located children's centre does not guarantee admission to the school**
- Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year. Further details can be found in the booklet 'Applying for a Primary or Secondary School Place - A Guide for Parents 2023-24' which is available on the Sefton Website: www.sefton.gov.uk/startingschool

Please note: During the COVID pandemic, churches and other religious buildings have been closed by law for public worship and other uses. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship".

Admissions Criteria 2023

After the admission of pupils with an Education, Health and Care Plan which names the school and where there are more applications than places available, the following admissions criteria will be applied in order, to allocate places.

- 1) Children in public care and previously looked after children. This includes any "looked after child", "previously looked after children" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. 'Looked after' means that the child was (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions. This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- 2) Children who have a sibling currently attending the school and who will still be there at the start of the new academic year.
- 3) Children whose parents/guardians are members of the Church of England and attend St Simon and St Jude's Church at least once a month. A reference/letter of support from a member of the clergy will be required. *
- 4) Children whose parents/guardians are members of a 'Christian Church' (any Church in membership with, or sharing the statement of belief of Churches Together in Britain and Ireland or in full sympathy with its Trinitarian stance) and who attend Church at least once a month. A reference/letter of support from the clergy will be required. *
- 5) Proximity of home to school. (This is determined by measuring the shortest route walking distance from the child's home to the nearest school gate using the methodology of measurement adopted by the Local Authority).

*In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship. It is necessary for a parent to have attended at least once a month for at least 12 months in the 12 months previous to the application being made in order, for the criteria to be met."

Note

- Sibling includes step, half, foster and adopted siblings living at the same address.
- Parent is defined as the person with parental responsibility.

Tie Breaker Clause - If it is not possible to offer places for all applications within any criteria then priority will be given to those living closest to the school measured by the shortest walking distance from the child's home. We will measure from the property's address point, to the nearest school gate (using recognised routes known to the Local Authority at the time of measurement).

Admissions Criteria 2023

After the admission of pupils with an Education, Health and Care Plan which names the school and where there are more applications than places available, the following admissions criteria will be applied in order, to allocate places.

- 1) A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions. Children who appear [to the admission authority of the school] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation, or any other provider of care whose sole purpose is to benefit society.
- 2) Siblings* of pupils attending the school during the academic year to which the child would be admitted.
- 3) Regular attendance at public worship at Holy Trinity Southport Church of England church. **
- 4) Regular attendance at public worship in any other Christian church. For the purposes of these admission arrangements 'other Christian church' means a church which is designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop, or which is a member of Churches Together in England or affiliated to the Evangelical Alliance or a Partner Church of Affinity. **
- 5) Social and Medical Need. Admission on social or medical grounds can be considered where the medical condition relates either to the child in question or a parent/carer, brother or sister or other relative/childminder. Supporting evidence in the form of a letter from a doctor or social worker or other relevant qualified, independent professional, would be required.
- 6) Proximity to the school with those living closest to the school having priority calculated by walking distance to school. The child's home address will be determined from the application form, ([contact the school directly for the full definition](#)).

*See glossary for full definition

** Attendance will be established by information provided on the Supplementary Information Form completed by a member of the clergy or other designated church officer. For the purposes of these admission arrangements 'regular' means attendance at least eight times in the twelve months immediately prior to the date of application. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Tie Breaker Clause

Proximity to the school. This will be measured by the shortest walking distance by road or maintained footpath or other public rights of way from the pupil's home, to the main entrance point of the school using a GIS computerised mapping system. In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s).

Tie Breaker Clause Distance from home to school. Distance measurements are provided by the Local Authority.

In the event of any **over-subscription** in the number of applications made under criteria 2, 3, 4 and 5 above, then the admissions committee will offer places in accord with the criterion that follows e.g. If Criterion 2 is oversubscribed then places will be offered to those also fulfilling criterion 3, then 4 and ultimately to those living closest to the school measured by the shortest walking distance from the child's home to the nearest school gate. We will measure from the property's address point, to the nearest school gate (using recognised routes known to the Authority at the time of measurement).

Notes:

**** Regular attendance** - is deemed to be AT LEAST MONTHLY for the past 12 months (prior to the published date for the closure of the application process, which is normally around the middle of January). **In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.** Family attendance at church services which can include attendance at WOW will be considered as part of this requirement. Parents/grandparents include step parents/grandparents and carers.

SECTION B

Types of Secondary Schools in Sefton

Age Range

This section of the guide lists all the secondary schools within Sefton. All these schools admit pupils up to the age of 16 and provide a wide range of curriculum choices usually up to GCSE level. Other national qualifications may also be available. The type of secondary school is shown in the list of schools and noted in the details provided for each individual school. Details relating to education for young people aged 16 and over in each area of Sefton, are set out in Section C of this guide.

Community Schools (COM)

Sefton has one community high school (Meols Cop). This means that the school is managed by the Local Authority. Religious education is non-denominational in character and does not follow the distinctive beliefs and practices of any one particular church or religion. Admission of pupils is the responsibility of the Local Authority in accordance with the admission arrangements listed in this guide.

Voluntary Aided Schools (VA)

Other secondary schools are Voluntary Aided schools. Most Catholic secondary schools in Sefton are Voluntary Aided. This means that they are managed by a church authority, although the Local Authority meets most of the running costs of the school. Religious education is under the general control of the governors and will be in line with the distinctive ethos, religious beliefs, culture and practices of the church with which the particular school is associated. Admission of pupils is the responsibility of the Governing Body in accordance with the admission arrangements listed in this guide. To check that you reside within the associated parish for a particular school you should contact the school directly.

Academy Schools (AC)

Many secondary schools within Sefton are academies. Academies are independently managed, all ability schools set up by sponsors from business, faith or voluntary groups in partnership with the Department for Education. Together they fund the land and buildings, with the government covering the running costs. An Academy is responsible for admissions to the school and therefore determines their own admissions criteria. The Local Authority is the co-ordinating body for admissions to academy schools. For most secondary academies, the Local Authority also manages the admissions process and applies the admissions criteria on behalf of the schools governing body.

Independent Schools

Sefton Local Authority does not administer admissions to any independent schools. If you wish for your child to attend an independent school, you must apply directly to the school concerned.

Secondary Education Establishments with entry at age 14+ (Yr 10)

There are a number of schools/colleges within the Greater Merseyside area which now provide education for young people to be admitted at Year 10. These can be University Technical Colleges, Studio Schools or 14+ provision in some FE colleges. All the 14-16 Colleges, Studio Schools & U.T.C's require that parents apply for admission directly to the school/college concerned. This is to enable the school to consider your application using the school's individual admission criteria. The application period for admission to Year 10 in September 2023, is the same as for Year 7 admissions i.e. applications should be submitted by the closing date of **31 October 2022.**

Information included for each secondary school

We have listed every school in Sefton and included information to help you with your choice of schools. This page helps explain what the information we have provided means.

Key information about the school

Headteacher's name; address of school; telephone number; website address; school detail; age range; responsible admissions authority and the 2023 admission number for the school.

Previous pattern of Admissions

- Table 1 - The number of places available and the number of applications received by the Local Authority naming the school for the previous year's admissions allocation (where the school was named as either first, second or third preference).
- Table 2 - How many applications were allocated under each admission criterion in the past three years. **These figures should only be used as a guide as the number of places allocated in each category can change from year to year.**
- Table 3 - The number of appeals heard, and the number that were successful. The final number of places allocated at the end of term in July after changes of preference, declined offers and appeal hearings.

Furthest distance for Community, Voluntary Controlled and Academy schools

The furthest distance is noted where the school was oversubscribed (received more applications than places available) and is the furthest distance where a child who was allocated a place lived, using (usually) the home to school distance (proximity) criterion. For some schools, all places may have been allocated using a higher admission criterion than distance. This information is available for community, and academy schools where the Local Authority is the Admissions Authority or where the Local Authority applies the criteria on behalf of academy schools. This information is not available for Voluntary Aided (or academy) faith schools.

Individual admissions criteria for the school

If there are more applications than places available, this is the criteria used to assess each application for that school. You should be able to identify which category your applications would be considered under. Once you have done that, you can then see how many children have previously been admitted under the same criterion.

Admissions Criteria 2023

If the Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan which names the school, priority will be given to those children who meet the criteria set out below in order, to allocate places.

- 1) **Looked after children** and all **previously looked after children**, including those children who appear (to the admission authority) to **have been in state care outside of England** and ceased to be in state care as a result of being adopted (or became subject to a child arrangements order, or special guardianship order). *

Brothers and Sisters include step-children, foster children and half-brothers and sisters, adopted brothers and sisters or children of the parent(s)/carer(s) partner, living in the same family unit at the same address, who attend the school in question, as long as they will be at the school in September 2023. (1) Parent(s)/carer(s) **must** state the employee's name on their admission application form. Details will be validated by the school.
- 5) **Proximity** - This is measured by taking the shortest walking distance to the Academy. The shortest walking route will be that determined using recognised routes known to the Local Authority. The distance is measured from the property's address point, to the nearest school gate. This will be measured using the Local Authority's computerised measuring system. If the proximity value is equal then random allocation will be used as a tie-breaker. Any process of random allocation will be independently supervised. (1)

Number of pupils on roll (Jan 2022): 1014

Age range: 11-18

Admission Number 2023: 186

Admission Authority: **Governing Body**

Admissions Criteria 2023

After the admission of pupils with an Education, Health and Care Plan which names the school and where there are more applications than places available, the following admissions criteria will be applied in order, to allocate places.

- 1) **Looked after children** and all **previously looked after children**, including those children who appear (to the admission authority) to **have been in state care outside of England** and ceased to be in state care as a result of being adopted (or became subject to a child arrangements order, or special guardianship order). *

Children identified as needing specialist facilities that go beyond expected reasonable adjustments will be given priority for this school if it is the nearest school with suitable resources. This would usually be a child with a physical or mobility difficulty. We will require details from parent(s)/carer(s), supported by medical evidence in order, to assess each situation depending on circumstances.

- 2) **Sibling** - Children who have either a **brother or sister** living in the same house who already attends the school as long as they will still be at the school in September 2023. ⁽¹⁾
Sibling is defined in these arrangements as brothers and sisters including step-children, foster children and half-brothers and sisters, adopted brothers and sisters or children of the parent(s)/carer(s) partner, living in the same family unit at the same address, who attend the school in question, as long as they will be at the school in September 2023.
- 3) **Children of staff** where the member of staff has been employed at a school within the Southport Learning Trust for two or more years at the time at which the admission application for the school is made, and/or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage. ⁽¹⁾ Parent(s)/carer(s) **must** state the employee's name on their admission application form. Details will be validated by the school.
- 4) **Catchment area** - Children who live in the Maghull, Lydiate, Melling or Aintree parish areas (excluding the area served by Deyes High School. ⁽¹⁾)
- 5) **Distance** - Other requests that name the school as a preference. ⁽¹⁾

***See glossary for full definition**

Tie Breaker Clause

⁽¹⁾ If it is not possible to offer places for all applications within any criteria then priority will be given to those living closest to the school measured by the shortest walking distance from the child's home. We will measure from the property's address point, to the nearest school gate (using recognised routes known to the Local Authority at the time of measurement).

Admissions Criteria 2023

After the admission of pupils with an Education, Health and Care Plan which names the school and where there are more applications than places available, the following admissions criteria will be applied in order, to allocate places to the school.

First Priority: Looked after children and all **previously looked after children**, including those children who appear (to the admission authority) to **have been in state care outside of England** and ceased to be in state care as a result of being adopted (or became subject to a child arrangements order, or special guardianship order). * (*See glossary for full definition).

Second Priority: Sibling** - Children who have a **brother or sister** living in the same house who already attends the school, as long as they will still be at the school in September 2023. ⁽¹⁾

(*See glossary for full definition).

Third Priority: Contributory Primary schools - Children who, at the start of the Spring Term 2023 are on the roll of: St John's Church of England (Waterloo), St Luke's Halsall Church of England, St Nicholas' Church of England, Valewood or Waterloo Primary Schools. ⁽¹⁾

Fourth Priority: Faith Criteria - If parent(s)/carer(s) are applying under this priority please read the criteria carefully before completing the application (faith information) form. When completing the form (available from the school) make sure that parent(s)/carer(s) give full and accurate answers. When the form has been completed take it personally to the vicar/priest/minister/lay eucharist minister/deacon or church warden to complete the designated clergy form. ⁽¹⁾

The following criteria will be applied using a points system to decide which pupils will be offered a place. The scoring system will be applied separately to the child and to the parent(s)/carer(s) with the most involvement and commitments to the life and worship of their church and will take into account variability of church attendance year on year.

The maximum possible score for attendance would be 60 points for three years' weekly attendance at an Anglican church. The maximum possible score for other Christians would be 48 points for three years' weekly attendance. The minimum score would be 0 for Anglicans and other Christians for no attendance at any church. **Christian applicants parent/carer is only applicable if the attendance is with the child**

The points scoring system is outlined on the next page.

In the event that during the period specified for attendance at worship, the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

The Governors have defined ‘Christian Church’ as being any Church in membership with, or sharing the statement of belief of, Churches Together in Britain and Ireland or in full sympathy with its Trinitarian stance (www.ctbi.org.uk).

Continued on next page

St Michael's CE High School Admissions Criteria continued

Fourth Priority continued ...

The maximum points for attendance for parent/carer is 60 points

Points are awarded for parental attendance (with the child). The Governors would define the word 'parent' as including any parent/carer, step-parent or biological grandparent of the child concerned. However, if points are being awarded on the basis of a child's biological grandparents' church attendance, the biological grandparent must have attended church with the child in question. The Governors reserve the right to seek clarity on this point from the church leader completing the form in cases where there is reasonable doubt that this is the case. ⁽¹⁾

Fifth Priority: Distance - Other requests that name the school as a preference. ⁽¹⁾

Tie Breaker Clause

⁽¹⁾ If it is not possible to offer places for all applications within any criteria then priority will be given to those living closest to the school measured by the shortest walking distance from the child's home. We will measure from the property's address point, to the nearest school gate (using recognised routes known to the Local Authority at the time of measurement). If you require an explanation of how the distance from your home to school has been measured, please contact the School's Admissions Officer

Glossary:

*A looked after child is a child who at the time of making an application to a school, is in the care of a local authority or is being provided with accommodation by a local authority in England in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989). This includes children who were previously looked after but ceased to be so because they became subject to a child arrangements order or special guardianship order. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

****(Second Priority Sibling) Brothers and Sisters** – Includes step-children, foster children and half-brothers and sisters, adopted brothers and sisters or children of the parent(s)/carer(s) partner, living in the same family unit at the same address, who go to the school in question, as long as they will be at the school in September 2023.

Twins/Multiple Births – Where there are twins or children from multiple births, and one of the siblings has been allocated the last remaining place at a school, the other siblings will be admitted.

Admissions Criteria 2023

After the admission of pupils with an Education, Health and Care Plan which names the school and where there are more applications than places available, the following admissions criteria will be applied in order, to allocate places.

- 1) **Looked after children** and all **previously looked after children**, including those children who appear (to the admission authority) to **have been in state care outside of England** and ceased to be in state care as a result of being adopted (or became subject to a child arrangements order, or special guardianship order). *

Children identified as needing specialist facilities that go beyond expected reasonable adjustments will be given priority for this school if it is the nearest school with suitable resources. This would usually be a child with a physical or mobility difficulty. We will require details from parent(s)/carer(s), supported by medical evidence in order, to assess each situation depending on circumstances.

- 2) **Sibling** - Children who have either a **brother or sister** living in the same house who already attends the school as long as they will still be at the school in September 2023. ⁽¹⁾
Sibling is defined in these arrangements as brothers and sisters including step-children, foster children and half-brothers and sisters, adopted brothers and sisters or children of the parent(s)/carer(s) partner, living in the same family unit at the same address, who attend the school in question, as long as they will be at the school in September 2023.
- 3) **Children of staff** where the member of staff has been employed at a school within the Southport Learning Trust for two or more years at the time at which the admission application for the school is made, and/or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage. ⁽¹⁾ Parent(s)/carer(s) **must** state the employee's name on their admission application form. Details will be validated by the school.
- 4) **Distance** - Other requests that name the school as a preference. ⁽¹⁾

Please note: the School Admissions Team is **NOT** involved with placing children who are under school age into Nursery provision. Please go to www.seftondirectory.com/childcare where you can search for OFSTED registered nurseries and childminders in your local area or contact the school/nursery you are interested in directly for further information.

Nursery Education

Three and four year olds

All 3 and 4 year olds are entitled to a free part time nursery education place, if their parents/carers wish to accept one. It consists of 15 hours per week and can be taken from the term after the child's third birthday. For 3 and 4 year olds, parents can choose from a free place in a Local Authority maintained school or in a private, voluntary or independent setting such as playgroup or day nursery, who must be registered with Ofsted. Childminders rated good or outstanding by Ofsted can also offer funded places. A number of nursery schools and classes may now be in a position to deliver this flexibly rather than all morning or all afternoon sessions.

Further details can be found via the Sefton Directory Website: www.seftondirectory.com/childcare

30 Hours Free Childcare for Working Parents

Sefton Council delivers 30 hours of free childcare per week for 3 and 4 year olds of working parents. This means that parents can now access an additional 15 hours of free childcare if they meet certain criteria. The additional 15 hours of free childcare is available for families where both parents are working (or the sole parent is working in a lone-parent family), and each parent earns the equivalent of 16 hours a week at the national minimum or living wage and earns less than £100,000 a year.

Parents will be able to access this extra support from:

- Participating schools with nursery provision
- Day Nurseries, Out of School Clubs
- Childminders and playgroups

It will be possible for children to access up to two providers to access their entitlement. A combination of hours can be negotiated with the childcare provider.

Funded 2 year olds

Some 2 year olds are also entitled to 15 hours free entitlement. Similar to 3 and 4 year olds, this consists of up to 15 hours per week and can be taken from the term after the child's second birthday. Please visit: www.sefton.gov.uk/2yearolds

You can claim a free 2 year old place for your child if you receive one or more of the following:

If two or more applicants meet the distance criteria exactly (e.g., they live in the same block of flats or are exactly the same distance away from the school), the Authority will carry out a random allocation to decide which applicant will be given the place. This will be carried out in a public place with the required
